Your child has been given a copy of the 2017-18 Bulletin for AP Students and Parents. This guide to the AP Program has important information regarding things such as AP score reporting, test administration policies & procedures, exam preparation tips, as well as a schedule for all 2018 AP Exams. If your child has not already shown this to you, please request that they do so.

AP Exam fees and available fee reductions

The fee for each AP exam is \$94. Checks and money orders should be made payable to the school administering the AP Exam, not the College Board.

Fee reductions

College Board fee reductions and state and federal subsidies are available for students with financial need. Visit www.collegeboard.com for information about eligibility criteria and the procedure for claiming College Board fee reductions for AP Exams. Please contact Mr. Matusak if your family needs any assistance with fee reductions prior to placing your AP exam order.

Late testing with alternate exams

There is no additional fee for using an alternate form of the exam if schools are ordering alternate exams under circumstances that are generally beyond the control of the school's administration and the students. In other instances, however, the school is billed an additional \$45 per student for each exam to partially cover the cost to prepare, print, ship, and score these exams. Students eligible for the College Board fee reduction will not be charged the \$45-per-exam late-testing fee, regardless of their reason for late testing. Visit [Late Testing](#) for more information.

Typical reasons for late testing and how late-testing fees might be incurred:

- **No additional fee:**
 - Emergency: bomb scare or fire alarm
 - Emergency: serious injury, illness, or family tragedy
 - Religious holiday/observance
 - School closing: election, national holiday, or natural disaster
 - Three or more AP Exams on same date
 - Two or more AP Exams on same date and time
 - Ordering error by the school

- **Additional \$45 fee per exam:***
 - Academic contest/event
 - Athletic contest/event
 - Conflict with non-AP and non-IB exam
 - Family commitment
 - Ordering error by the student
 - Other school event
 - School closing (local decision, non-emergency)

Unused exams

Schools are charged \$15 for any exam that is ordered but not used. Students who order an exam, but do not arrive on the scheduled day to complete an exam, will be reimbursed the exam fee, less the \$15 Unused exam fee.

Late orders

Any order received after Thursday, March 24th will incur a \$15 late fee, per exam.

Any order received after April 13, 2018 will incur a \$55 late fee, per exam (excluding alternate exam orders).

No orders will be accepted after April 20, 2018.
