PREPARE FOR CLASSES

WHEN DO STUDENTS RECEIVE THEIR COURSE SCHEDULES?

Students should receive their schedules by the first of July. If students have questions about their schedules, they can contact their school counselor. Course changes can be made by the counselors and are done for academic reasons only (e.g., incorrect placement in a course). Counselors will be back in the office late August.

HOW DO WE ORDER TEXTBOOKS?

Once students have received their schedules, the school will post complete information such as book lists, purchase information, etc, to the AMHS website under the "Current Parent" section. Families will also receive an email with this information. Families can order their books through MBS Direct after June 30. The school has an agreement with this company, and they fill all orders from our families.

HOW MANY HOURS OF HOMEWORK DO STUDENTS HAVE EACH NIGHT?

This varies for each student, but homework is an integral part of our students' learning process. On average, students may have approximately two hours of homework per night.

DO STUDENTS HAVE LOCKERS?

As part of our risk mitigation efforts, we did not assign students lockers this past year to reduce hallway crowding. If your student would like to use a locker, one will be assigned upon request. Please contact Dean of Students for more information.

EXPECTATIONS

GENERAL AMHS RULES

FOOD AND DRINK

As a general rule, food and drink are only allowed in the cafeteria, at the picnic tables outside of Grace Hall, or in the plaza area between Grace Hall and Heath Hall. Food and drinks are not permitted in the gym during the school day. Students must individually and collectively take the responsibility to keep these areas free of litter. Eating outside of these designated areas and times requires the permission of the adult in charge. That adult and those students have the responsibility to ensure the cleanliness of the area where the eating takes place.

SCHOOL CLEANLINESS

All students are expected to help maintain the tidiness of the school and its grounds. Students are expected to properly dispose of waste materials. In addition, students are expected to help tidy the classroom at the end of class and the lunchroom/grounds at the conclusion of break and lunch.

LOCKERS

Students are expected to keep all personal items not needed for class in their lockers. Lockers must be locked between classes.

ELECTRONIC DEVICES

In accordance with AMHS safety procedures, students are allowed to possess cell phones during class. Phones should not be used and should remain off or on silent unless a teacher has given permission otherwise. The personal use of these devices is permitted only outside of regular class time, provided they are used in a reasonable manner.

Students making or receiving calls, text messages, or photos during class may have their phone confiscated and returned to the student at the end of the day. If there are additional violations, the item(s) may only be returned to the parent(s)/guardian(s) and appropriate disciplinary action will be taken in the school's sole discretion. In the case of an emergency, a family member may contact the front office to contact a student.

TARDY POLICY

Students are expected to be on time, in their seats and ready for class to begin when the bell rings. A student is considered tardy when they arrive to class no more than 20 minutes late. A tardy during the first period of the day is labeled as a T1. T1 is only

excused with a medical note. Each student is allowed a set number of three T1's per semester to accommodate unexpected traffic delays, carpool issues, etc. T1's beyond that point will be subject to discipline at the discretion of the Dean of Students.

WHAT IS THE DRESS CODE?

We expect students to dress appropriately for class and try to look their best. We give students a general guideline of what is acceptable at school and then allow them to decide what is best for them. We do not allow hats, bare midriffs or clothing that is provocative in nature. We also expect students to "dress up" for our monthly liturgies. For additional information, please see our Student Handbook which is available online and provided to students at the start of each school year.

WHAT DO I DO IF MY CHILD NEEDS TO MISS SCHOOL?

Please contact Student Services at attendance@am-hs.org for any and all absences. If your child has an appointment during the school day, please send him/her with a note notifying Student Services of their time of departure. We will then issue your student a pass to get out of class.

Sarah Pedersen
Dean of Students
spedersen@am-hs.org

TRANSPORTATION

HOW DO STUDENTS GET TO SCHOOL?

Most freshmen students either carpool or their parents drop them off. Older students usually drive to school. Unfortunately, public transportation is not a viable option due to the limited bus service available in our area. We offer bus service to some areas, depending upon availability. Please visit the transportation page under the About section on our website for more information.

HOW DO I FIND A CARPOOL?

Upon request, we can provide you with a list of other students in your area after June 30. If you are interested in carpooling options, please contact Admissions.

STUDENT LIFE

WHAT ACTIVITIES CAN MY STUDENT PARTICIPATE IN?

Involvement outside of the classroom is crucial to a positive high school experience. Approximately 90 percent of our students are involved in some co-curricular activity. Our students are involved in sports, clubs, ASB (student government), and other activities. There is a club fair at the beginning of the school year where students can learn about clubs and activities.

ARE THERE DANCES AT AMHS?

AMHS currently offers a school Homecoming dance in the fall (formal), a Winter Tolo (casual) and spring prom (formal for juniors and seniors only). Various groups such as the cheer squad or class officers may organize additional dances. The school dress code applies at all dances. Appropriate conduct is mandatory.

STUDENT WELLNESS

The Wellness program at AMHS strives to bring unique initiatives to campus with the goal of improving mental, physical, and spiritual aspects across the AMHS community. These programs are before, during, and after school through collaborating with campus ministry, counseling, faculty/staff, parents, community members, businesses leaders, and local and national consultants. Topics such as mental health, respect, and life skills are key components during many the community period based events. For more information on the Wellness Program, please reach out to Jordan James.

HOW CAN STUDENTS GET INVOLVED IN CAMPUS MINISTRY?

There are many ways for students of ALL faith backgrounds to get involved in Campus Ministry. Our students have the opportunity to participate in a Fall food drive, a Christmas drive, and the annual CRS Rice Bowl, which raises money for communities in need around the globe. Students also lead morning prayer, serve as liturgical ministers at school Masses, and take part in weekly prayer groups and Bible studies. Retreats have proven to be a life-changing experience for our students. All freshmen and sophomores go on class retreats and juniors and seniors can attend the popular KAIROS retreat.

DOES MY STUDENT HAVE TO COMPLETE SERVICE HOURS?

Yes! SPIN, or Serving People In Need, is the Christian Service program at AMHS. Rooted in the Gospel call of Matthew 25, Catholic Social Teaching, and the teaching of the Corporal Works of Mercy, this program is founded on the personal relationships formed through service encounters.

Students at AMHS serve their communities with thousands of service hours. The Serving People In Need (SPIN) program provides students with important opportunities for personal growth, community involvement and development of compassion for others.

Each year, students are required to complete 24 hours of service working in partnership with marginalized communities. This requirement is designed to put students in direct relationship with people marginalized by society as it teaches what it means to be a Christlike leader in the world today; a person who seeks justice for those who experience injustice.

Students primarily complete this requirement through direct service, although some hours can be indirect. Direct service requires students to work directly with the populations served, or through face-to-face volunteer encounters. All other hours not directly engaging with people face-to-face, such as filing paperwork or stocking shelves, are classified as indirect service. All service must be done at an accredited, non-profit agency that has been pre-approved by Campus Ministry.

Grade	Total Hours	Direct Hours	Maximum Indirect Hours
9th Grade	24	10	14
10th Grade	24	14	10
11th Grade	24	16	8
12th Grade	24	18	6

WHAT DO YOU OFFER IN THE AREA OF FINE ARTS?

We have a successful and thriving Fine Arts department. In the performing arts, students may participate in the Fall and/or Spring plays. There are classes in drama, choir, band, orchestra, and guitar. There are honor ensembles; jazz band and Choral-Aires, both require students to audition to participate. The Wildcat Band is open to everyone, including parents. In the visual arts, we have classes in painting, drawing, ceramics and graphic arts, as well as other opportunities for students to display their artistic skills and talents.

CLASS OFFERINGS

Each Fine Arts class at AMHS offers students the experience of performing or creating works of art. In each class the student will learn about diverse cultures and artistic history, creative expression, and public presentations from professional artists.

Students who wish to pursue a career or study postsecondary art must prepare themselves at the high school level. Jobs in interior design, graphic arts, fashion design, animation, architecture, photography, video production, sound design, theater technology, vocal and instrumental music, and acting, all require a strong foundation of the arts. Jobs in other fields benefit from a background in Fine Arts because the arts explore relationships between ideas and objects and serve as links between thought and action.

THE ART CLASSES WE HAVE AT AMHS ARE:

Band	Drama	Honors Choir
Ceramics	Drawing & Painting	Jazz Band
Choral-Aires Honor Choir	Graphic Arts	Orchestra
Concert Choir		

WHICH SPORTS DOES AMHS OFFER?

We offer a wide variety of sports for both boys and girls. Due to the limitations on the number of players who can reasonably participate in sports such as basketball, some teams have competitive tryouts. It is possible for freshmen to letter in varsity athletics.

WHY CHOOSE TO PLAY SPORTS AT AMHS?

AMHS has amazing coaches who teach far more than their respective sport. Encouraging each and every student-athlete along their personal journey into faith is paramount. Teaching dedication, perseverance and psychological resilience required to be successful in and out of competition prepares our students for success long after their playing days are completed.
