SERVING PEOPLE IN NEED

SPIN, or Serving People In Need, is the Christian Service program at Archbishop Murphy High School. Rooted in the Gospel call of Matthew 25, Catholic Social Teaching, and the teaching of the Corporal Works of Mercy, this program is founded on the personal relationships formed through service encounters.

Students at Archbishop Murphy High school serve their communities with thousands of service hours. The Serving People In Need (SPIN) program provides students with important opportunities for personal growth, community involvement and development of compassion for others.

Each year, students are required to complete 24 hours of service working in partnership with marginalized communities. This requirement is designed to put students in direct relationship with people marginalized by society as it teaches what it means to be a Christlike leader in the world today; a person who seeks justice for those who experience injustice.

Students primarily complete this requirement through direct service, although some hours can be indirect. Direct service requires students to work directly with the populations served, through volunteer encounters that *directly* impact those marginalized by society. All other hours not directly engaging with people marginalized by society are classified as indirect service. All service must be done at an accredited, non-profit agency that has been pre-approved by Campus Ministry.

Service Hour Requirements

Grade	Total Hours	Direct Hours	Maximum Indirect Hours
9th Grade	24	10	14
10th Grade	24	14	10
11th Grade	24	16	8
12th Grade	24	18	6

**All 24 hours of service can be completed through direct hours, however there is a limit to the amount of indirect hours that can be logged for credit.*

Opportunities to serve *those who are sick or traumatized*

<u>Organization</u>	<u>Area</u>	<u>Contact Name</u>	<u>Phone</u>
