From our Head of School

Dear Families...

Each spring I am reminded of the beauty of our area when the myriad of our local flowers bloom. I'm not much of a gardener but my parents both have green thumbs and I grew up with a home filled with flowers, fruits, and vegetables fresh from our garden. My wife and I were raised in Spokane but quickly fell in love with this part of the state on an April visit many years ago during the Skagit Valley Tulip Festival. We explored the coastal towns, including Edmonds where we now live in a home surrounded by rhododendrons, that bloom each May when the warmer weather arrives.

Tulips and rhododendrons feature prominently in countless photos in our home, including pictures of our young children in the rows of tulip fields in La Conner and prom photos in front of the rhodies in our front yard.

Looking at these images remind me of the swift passage of time and the seasonal reminders of our children's life journeys. Both of our children attended AMHS--Houston graduated in 2016 and Sydney in 2019--and they often share how blessed they are for their high school years as a Wildcat. They were challenged academically and grew as students and young adults in preparation for their college experience. And while they loved their time as student athletes, their greatest memories are of Kairos retreats with beloved friends and mentors.

While I miss having them with me at school, I love to see how my children have blossomed. As we welcome our incoming class of students--the class of 2030--we remind parents how quickly these four years will pass. Please be present in the lives of your student during their high school experience: volunteer on campus, attend events, support your child and their friends in their activities.

There are so many ways to be a part of their high school experience and to immerse yourself in our community.

Along the way remember to capture the moments: first day of school, school dances, spirit dress days, liturgy dress days, co-curricular photos, and eventually their cap and gown photos.

The contents of this summer mailing will provide helpful information and resources as you prepare for the opening of school and co-curricular activities in August and throughout the fall. Please use the "who to contact" resource as an effective starting point for communication. All of our faculty and staff will be back on campus as we begin our in service meetings on August 19. In the meantime, our main office is open throughout the summer and you can always reach out to me for help. In fact, I would love to meet with you as your schedule allows during the opening weeks of school--it is a nice way to get to know one another and discuss any questions you may have heading into the school year. Please email me at your convenience so I can add you to my meeting calendar.

We hope to find ways to help all parents get involved in our community. This may mean volunteering at our events such as the DREAM auction, or procuring items or experiences for the DREAM auction or the STAR Breakfast--please utilize our Sign Up Genius for a variety of opportunities to get involved and fulfill parent service hours. Our Development office can help you find ways to lend your time and talents--please contact Advancement Director Bobby Kubacki or events and Annual Giving Coordinator Ahna Kotila.

Enjoy the remaining weeks of summer and we look forward to seeing you soon!

Peace,

STEVE SCHMUTZ

New Faces at AMHS

Four new colleagues are joining the AMHS community this year, bringing a wide range of experience and expertise in mathematics, business, student services, and marketing & communications.

DAN JUHL · Business Pathways Director

Dan Juhl will be our new Business Pathways Director starting this fall semester. He comes to us with four years of teaching experience at St. Mary Magdalene School and over twenty years in the banking industry, including 13 years as a Senior Vice President at Costal Community Bank. His enthusiasm, experience, and knowledge will be a great benefit to our program. Dan will be teaching our business related classes including Future Ready, Introduction to Business and Marketing, and Marketing and Management. He will also oversee our DECA program, the Murph, and Holy Grounds (our student store and coffee cart).

MEGAN DAVIS · Math Teacher

Megan Davis comes to us from Pope John Paul II High School in Lacey. She has taught math classes of all levels and several science classes. She will be teaching Algebra I, AP Statistics, and AP Calculus AB.

BELLA KISS · Student Services

Bella Kiss is our new Student Services assistant, responsible for attendance and helping coordinate student activities. She comes to us with administrative experience at various organizations, most recently Academics West in New York. Bella is new to this role, but not to AMHS- last year she was part-time front desk receptionist and counseling center assistant.

BECKY GADSDEN · Marketing & Communications Associate

Becky Gadsden joins Archbishop Murphy High School as our new Marketing & Communications Associate. She brings more than 12 years of experience in marketing, design, and communications, along with advanced degrees in marketing and communication. As part of the Advancement team, Becky will support Development, Admissions, and Marketing & Communications through social media, website management, graphic design, brand storytelling, and strategic marketing initiatives.

We are grateful for the talents, energy, and dedication each of these new team members brings to Archbishop Murphy. Their diverse backgrounds and experiences strengthen our mission and enrich our community, and we look forward to the positive impact they will have on our students, families, and school in the years ahead.

From our Advancement Director – PART 1

Dear AMHS Community, I hope you are enjoying a restful, joy-filled summer and finding time to relax with family and friends.

As we prepare to welcome students back to campus, there is a tremendous sense of excitement at Archbishop Murphy High School.

While our halls may be quieter during the summer months, our faculty and staff have been hard at work preparing for another exceptional year of faith-filled learning, academic excellence, and student growth. From celebrating the opening of our new Wellness & Performance Center to enhancing academic programs, expanding opportunities for students, and preparing to welcome another outstanding class of Wildcats, we are continually investing in the future of our school while remaining steadfast in our mission to form Christ-centered leaders who will make a positive impact in the world.

As I begin my second year at Archbishop Murphy and my first as Advancement Director, I continue to be inspired by the generosity, passion, and unwavering commitment of this incredible community--you are an important part of what makes Archbishop Murphy such a special place.

Your generosity makes this mission possible. Tuition alone does not cover the full cost of an Archbishop Murphy education, and philanthropic support helps bridge that gap by providing tuition assistance, supporting outstanding faculty and staff, enhancing academics, athletics, arts, campus ministry, and student life, and investing in the programs and facilities that enrich every student's experience.

As you consider how you might support Archbishop Murphy this year, there are several meaningful ways to make a lasting impact:

Annual Fund

Our top priority. Think of it as the “checking account” that helps us meet immediate needs– these unrestricted gifts directly support financial aid, faculty compensation, academic programs, campus life, and more.

Signature Events

Beyond giving, we invite you to participate in one of our many community-centered fundraising events such as: DREAM Auction, STAR Breakfast and various others throughout the year. These events not only help raise critical funds, but they also celebrate the spirit and excellence of Archbishop Murphy.

Capital and Endowment Giving

Help shape the future of Archbishop Murphy through transformational gifts that support campus improvements, innovative programming, or endowed scholarships that make a Catholic education accessible for generations to come which begins with a gift or pledge (paid over five years) of \$25,000 or more.

From our Advancement Director – PART 2

Making a gift is easy, and there are several ways to make an impact:

WAYS TO GIVE

1. **Online or Cash or Check:** The simplest and most immediate way to support AMHS. Make a secure gift anytime or mail your contribution to the Advancement Office.
2. **Donor-Advised Funds (DAFs) or Gifts of Stock:** Make a tax-savvy gift with appreciated assets or through your DAF. These options can offer significant financial benefits while supporting the causes you care about. Please reach out to me directly to learn more.
3. **Matching Gifts:** Double or even triple your impact! Many companies match their employees' charitable contributions. Check with your employer to see if they offer a matching gift program.
4. **In-Kind Donations:** Gifts of goods or professional services help reduce costs, enhance programs, or meet specific needs across campus. Please complete an In-Kind Donation Form to accompany your contribution.

You can make your gift
anytime by visiting

www.am-hs.org/support/giving

or by clicking the button below.

SUPPORT AMHS AND GIVE NOW!

Your generosity makes this mission possible.

As we begin another school year, I invite you to stay connected, attend an event, volunteer, and continue investing in the mission of Archbishop Murphy High School. Together, we are preparing young men and women not only for college and careers, but for lives of faith, leadership, and service.

Thank you for believing in our students and for helping make the Archbishop Murphy experience possible.

I look forward to seeing you on campus throughout the year.

With gratitude,

Bobby Kubacki

2026-2027 DREAM Auction - PART 1

We hope this letter finds you and your loved ones enjoying a wonderful summer as we prepare to begin another exciting school year at Archbishop Murphy High School.

Planning is already underway for one of our community's most anticipated events—the **2027 AMHS DREAM Auction**. We are excited to announce that this year's event will take place on **Saturday, March 13, 2027**, at the beautiful **Tulalip Resort Casino**.

The move to Tulalip Resort Casino marks an exciting new chapter for our signature fundraising event. While we'll be sharing additional details, sponsorship opportunities, and ticket information throughout the school year, one thing remains the same: the DREAM Auction is an unforgettable evening that brings our community together to invest in the future of Archbishop Murphy and our students.

As we begin planning for this exciting event, we're inviting our community to help us build an incredible auction by donating unique experiences, vacation stays, gift certificates, sporting event tickets, artwork, professional services, new merchandise, or one-of-a-kind packages.

Every donation plays an important role in creating a memorable event while directly supporting the mission of Archbishop Murphy High School.

Early donations allow us to thoughtfully curate the auction and recognize our generous donors throughout the school year. We encourage you to submit your donation whenever it's convenient.

Please ensure that gift certificates and experiences are valid through at least March 2028.

Current AMHS families may count the value of their donated item toward their annual parent volunteer requirement (20 hours valued at \$20/hour = \$400)

AUCTION SPONSORSHIP OPPORTUNITIES

The 2027 DREAM Auction offers businesses and community partners a unique opportunity to support Archbishop Murphy High School while connecting with one of the region's most engaged and loyal communities.

Sponsors receive recognition through auction marketing, event signage, digital communications, our auction catalog, website, and more while helping make a lasting impact on the lives of our students.

Sponsorship levels and benefits will be announced later this fall. If you or your business would like to learn more, receive sponsorship information when it becomes available, or discuss creating a customized partnership, we'd love to connect with you. Parent Volunteer Opportunities

AMHS was started by a group of parents in 1988, and ever since then, parent involvement has been key to who we are as a school.

Per the AMHS contract and the handbook, all families are required to contribute 20 volunteer hours per school year. This obligation can be met in the following ways. Please be aware that participation in the fall raffle ticket program does not contribute to your family obligation or parent service hours.

SERVING THE 20 VOLUNTEER HOURS

or contributing goods of equal value (20 hours = \$400). Volunteer hours and approved donations can be found in Sign-up Genius. Any donations and/ or volunteer hours outside of those in Sign-up Genius need prior approval from the Development office. Requests for volunteer hours and goods are in the weekly AMHS Announce.

SINCE WE'RE GOING PAPERLESS...

All service hours and contributions of goods will be recorded electronically on Sign-Up Genius:

Freshman / New Student

INFORMATION FOR SPORT SIGN-UPS

1. All of the forms you need to fill out for your student to participate in sports are digital on the online platform called FinalForms. This is where we track student eligibility.
2. [This link](#) will take you to the AMHS FinalForms sign up page.
3. The first thing you will need to do is create a parent account for yourself. Once this has been created, you will add a new student.
4. The system will require you to put in an email address that ends in @am-hs.org for your student. Since students won't be assigned a school email address until right before the start of school, please send an email address that your student currently has access to to the Athletic Assistant, Olivia Bensen, at obonsen@am-hs.org. This email will be added to your student's account from the admin side and they will be able to move forward to complete all of their forms.
5. If the system won't let you move forward with creating the student account without adding an AMHS email, just leave the line blank. If it still won't let you proceed, just add a fake email that ends in @am-hs.org. This will be changed from the admin side as long as you send a current email to the athletic assistant as mentioned above.
6. Select which sports you would like to sign your student up for. This is all you need to do to assure your student is signed up. Coaches will receive a notification when you add their sport to your student's account and you will be added to the email list for communications being sent out.
7. You have to log in to your FinalForms account every school year to sign your student up for sports. If you sign your student up for basketball one year, it will not automatically roll over to the next year. You will log in again the following year, before the season starts, to sign them up and complete all of the forms.
8. Here are the important **season beginning dates for the 2026-27 school year**. Please make sure your student is signed up in FinalForms, and both student and parent forms have been completed:
 - **First day of football practice:** Wednesday, August 19, 2026
 - **First day of fall sports** (volleyball, girls soccer, boys tennis, girls swim & dive, cross country): Monday, August 24, 2026
 - **First day of winter sports** (boys basketball, girls basketball, boys swim & dive, boys & girls wrestling): Monday, November 15, 2026
 - **First day of spring sports** (boys & girls golf, girls tennis, track & field, lacrosse, softball, boys soccer, baseball): Monday, February 28, 2027
9. Students will not be able to participate in practices until both parent and student forms have been completed, and a current sports physical is on file in the students' FinalForms account.
10. Make sure you and your student read through all of the forms you sign in FinalForms. Especially making a note of the school attendance policy, student & parent activity/leadership code, athletic eligibility in regards to academics and academic probation.

SENIOR RECOGNITION ADS

Senior ads are published in the back of the AMHS yearbook each year.

These are not advertisements, but rather congratulatory notes from families to their graduates.

Ads may be ordered in ½ or ¼ page sizes. In an effort to get our book planned out and organized we ask that you submit these ads as early as possible! As an incentive, the earlier you buy an ad, the cheaper it will be! If cost is an issue and your family would like to offer service/help with yearbook events, please reach out.

This year we are continuing our advertising online. By visiting www.JostensAdService.com, you can design the ad yourself and create a custom note for your senior. Designing your ad online gives you access to hundreds of templates, examples, fonts, and graphics. Take a look at your student's book from last year or stop by the library to see ads from the 2025-2026 yearbook. Feel free to reach out to **Shea Meehan (Yearbook Adviser, smeehan@am-hs.org)** with any questions!

2026-2027 AMHS Polo

The Liturgy/Professional Dress Code for the 2026-2027 school year will be changing to include an AMHS branded polo that all students will be required to have. The addition of this polo will help ensure that all students are equipped to meet our professional and liturgy dress standards, fostering a community environment rooted in mutual respect and shared values.

To prepare for the upcoming school year, we have gathered student shirt sizes to order one black polo for every student. This initial shirt will be billed via SchoolAdmin in September. Additional polo shirts will be available for purchase on the AMHS Website.

All female students will have the opportunity to purchase a uniform skirt, in either black or khaki, that can be worn with their polo. This is the only skirt option that students will have and it will be available on the AMHS website for purchase. Please note that the skirt comes in both kids and adult sizes.

SCHOOL UNIFORM WOMEN'S PONTE PLEAT SKIRT TOP OF KNEE

The AMHS Liturgy/Professional Dress policy is as follows:

ALL STUDENTS	BOYS	GIRLS
AMHS Polo in either black or red. Jackets and coats are to be removed prior to the start of the liturgy. Sweatshirts are not to be worn on liturgy days.	Dress slacks or khakis. No denim pants or hats allowed. Students are expected to wear dress-appropriate footwear for school liturgies. No slides, Crocs or slippers.	Dress slacks, khakis, or approved uniform skirt in either black or khaki. Skirts must not be rolled. No denim pants, dresses, or hats allowed. Students are expected to wear dress-appropriate footwear for school liturgies. No slides, Crocs or slippers.

QUESTIONS

Please reach out to either Sarah Pedersen, Dean of Students (spedersen@am-hs.org) or Elianna Lucas, Director of Campus Ministry (campusministry@am-hs.org) with any questions.

Service Hours Message

As a school, AMHS uses MobileServe to track the completion of service hours for each student.

SERVICE HOUR REMINDER FOR NEW FAMILIES

As a school, AMHS uses MobileServe to track the completion of service hours for each student. If your student will be new to AMHS during the 2026-2027 school year as an incoming 9th grade or transfer student, please be aware that your student will be signed up in MobileServe within the first month of school. **We ask that your student does not create a MobileServe account before this time.**

Additionally, we highly encourage all students to complete the 25 hour service requirement over the summer and ask that new students keep track of these hours manually, including date served, number of hours, and the name and email address of the supervisor.

All service must be completed at an accredited non-profit agency that meets our requirements. There is a list of organizations that have been approved by Campus Ministry located on the website. If a student would like to volunteer with an organization that is not included in our list, then they must fill out the Organization Approval Form. We recommend doing this prior to volunteering to ensure that the organization is approved before beginning to volunteer with them.

GENERAL REMINDERS

All 25 service hours for the 2026-2027 school year are due on May 1st, 2027. We highly encourage all students to complete their hours over the summer as we know that many are busy with academics and other extracurricular activities during the year.

Any hours that are completed over the summer should be logged as soon as possible. There is often high turnover in non-profit agencies in the fall and winter making it difficult to have hours verified. While there is no deadline for logging summer hours, Campus Ministry encourages all students to log their hours as soon as possible.

It is the responsibility of each student, not Campus Ministry, to ensure their hours have been verified.

This may include reaching out directly to the supervisor via phone or email if necessary.

INCOMPLETE SERVICE HOUR CONSEQUENCES

For Underclassmen

- If the May 1st deadline is not met, the student's schedule for the next school year will be held until all hours are completed.
- If hours remain incomplete by the last day of school (June 12th), students will receive a grade of Incomplete in their second semester Theology class, which will be reflected on their transcript and remain until their hours are completed.

For Seniors

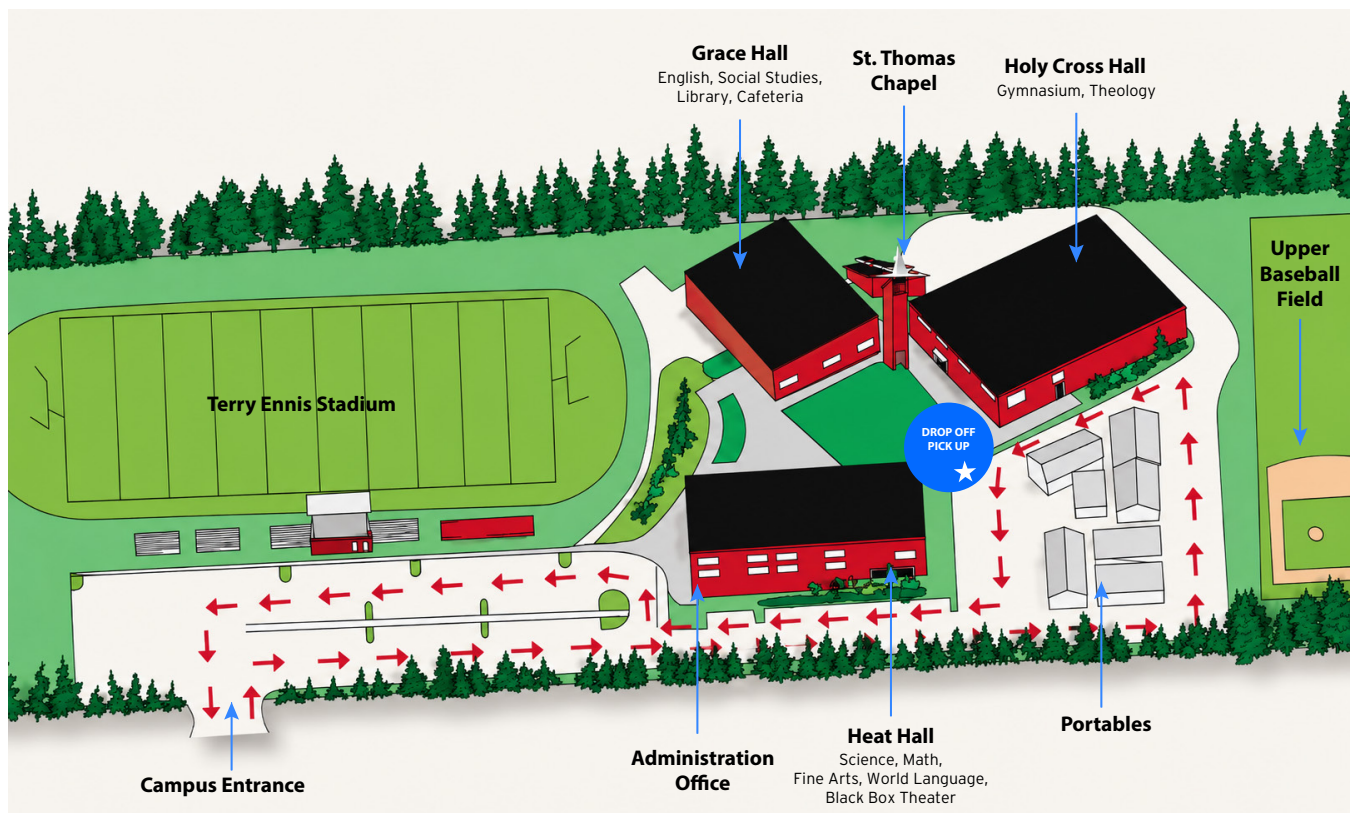

- If the requirement has not been met by the last day of school (May 22nd), any remaining Incompletes will become Fs on the student's transcript.
- All students with remaining hours will need to complete those hours at AMHS under the direction of the Facilities Director.

Drop-Off & Parking

In order to improve traffic flow and ensure safety for all, the following updates will be implemented:

1. All vehicles – including those dropping off for the St. Mary Magdalen bus, faculty, students, and parents – will be required to complete the full traffic loop for both drop-off and parking.
2. No left turns will be permitted near Heath Hall. All traffic must follow the loop route to enter and exit.
3. Student drop-off will take place in the upper loop by the gym.
4. When dropping off students, please pull all the way forward in the loop.

» Do not stop midway to let students out.
 » Do not use parking spots for drop-off – all parking spaces are reserved, and stopping in these spots causes backups for those waiting to park.
 » These changes are designed to keep traffic moving efficiently and ensure the safety of everyone on campus during the busiest part of the school day.
